PAPA

this and I'll tell you all about
it.

PAPA (CONT'D)

Long, long ago, when our lizard
friends first came across the ocean
on their great big ships, they
brought with them all sorts of
beautiful gifts from their island.
Music, food, lacrosse and all sorts
of wonderful things. While they
were unloading their ships a little
girl just like you, was carrying a
big beautiful bouquet of roses to
give to the king. when she was
walking off the boat she slipped
off the dock and was caught in the
rushing water. immediately,
everyone rushed to help her. Even
the king jumped in to save her, he
actually was the one to lift her
out of the water and hand her back
up to her mother, thank god. But
when she fell in, she lost her
bouquet in the stream, the girl was
heartbroken and in tears but the
queen, she actually loved the
flowers flowing thru their canals
and she threw another one of the
bouquets into the canal too and
then everyone started throwing
their flowers in the water and soon
every canal in the city was filled
with beautiful flowers just like
you. Now every year, we celebrate
that little girl by throwing
flowers into the canals during the
rose parade at festival.

YOUNG MCBIRD

Am i allowed to throw flowers in
the canal too papa

PAPA

Of course baby! everyone is, it
wouldnt be the Rose Festival
without it.

The 2 motogangsters whip down the street and screech to a stop in front of the shop.

The first hurls a brick thru the window of the shop, and the other reaches into his bag and pulls out a molotov cocktail, ignites it and throws it into the flower shop. Setting ablaze the shop and the workers inside of it. piercing screeches can be heard from inside, some of the worker make it out but their on fire.
